DIRECTORS MESSAGE

Spring is here and what a good time to get ready for bigger and better things to come. We should all focus on taking the opportunities that wait ahead of us and use them to our advantage, allowing the chance for future success.

On this note , good luck to you all and cheers to all great things ahead for Skysharp and each of you.

Jaz Sandhu (Managing Director)

2015 CHANGES TO SIA

“From 1 January 2015, new Security Industry Authority courses and qualifications will be introduced for SIA licence applicants”

- The course will ensure that the training content remains relevant
- The course will allow greater flexibility and online learning
- The course will cover the following sectors:
 - Door Supervision
 - Security Guarding
 - Public space surveillance (CCTV)
 - Close Protection
 - Cash and Valuables in transit
 - Vehicle Immobilisation

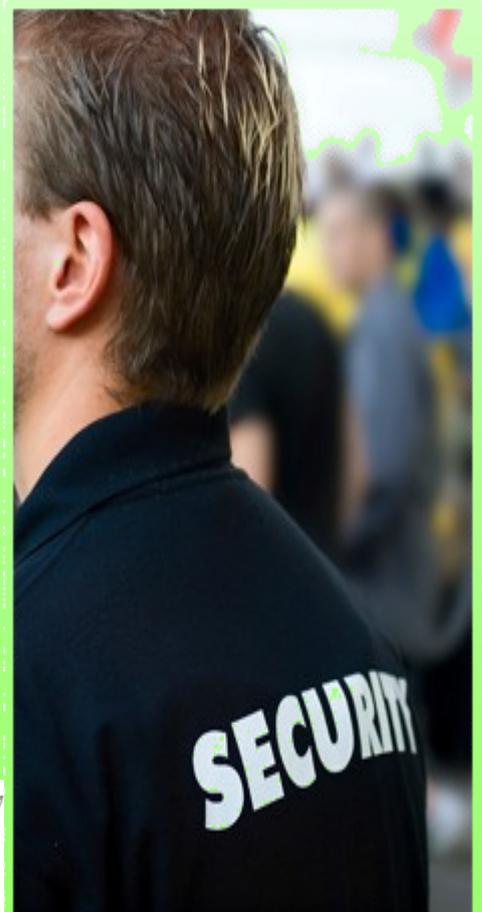

SIA SOURCE

OUR COMPANY 2015

Our aim this year is the same as it has been throughout the success of the company however it is being put into greater practice with the help of all the employees and colleagues at Skysharp. We are all working hard to provide safe, simple and effective security in order to protect your investments.

We aim to offer a wider range of services to suit your needs , whilst at the moment we can provide, static security, CCTV surveillance and Monitoring, Mobile Patrol Services, Construction Security , Retail Security as well as Receptionist duties and Maintenance/Cleaning.

Lastly we also provide affordable services to new and existing clients an customers.
