

DECEMBER 2015

## **SKYSHARP SECURITY SERVICES LTD**

➤➤➤ 2015 WINTER NEWSLETTER

### **PLEASE DO NOT IGNORE AND READ CAREFULLY**

In regards to the recent events that have occurred in Paris, as a security company we want to reinforce the message of the government to all our staff. It is crucial, that if any issue is to arise please report to the anti-terrorist hotline. In addition, us being a part of the EU and having links with the Paris, means that the UK is in a high risk of attack.

Moreover, if by any means you witness something or are aware of any terrorist related actions occurring, call the anti-terrorist hotline on 0800 789 321.

All of our SIA approved security officers are fully trained and have approved qualifications one of which is counter terrorism awareness, along with looking out for hostile reconnaissance. As a company we will be doing our best to go over this with our security officers in order to refresh their memories and make them more aware of what to do if situations were to occur during their work place.

Here at Skysharp Security Services, we all are one team and here to help and guide each other. If you require any more information, or have any questions in regards to this situation and how you could be more informed in how to deal with it, please do not hesitate to ask us.

**MERRY CHRISTMAS TO ALL OUR STAFF AND A  
HAPPY NEW YEAR!  
WE WOULD LIKE TO THANK YOU FOR ALL YOUR  
HARD WORK THIS YEAR, AND WE HOPE TO  
ACHIEVE THE BEST NEXT YEAR TOO. KEEP UP THE  
GOOD WORK!**
